

The Truth about Satan

...his tactics, methods, and lies

"Dear children, tonight, I invite you to understand the need I have for your Rosaries. These Rosaries, My dear children, are the weapon that will defeat Satan . **I am calling you to prayer, and you must not give in to Satan's ploys and tactics that take you away from Me and away from prayer. The evil one tries to distract you, and discourage you, and keep you from praying.** When you surrender to this, your hearts are not open to My grace; and I cannot lead you. Therefore, My dear children, **you must remember that, with your Rosaries, I will defeat Satan.** I am blessing you." (Blessed Mother)

"The abundance of My grace and provision falls unrestrained upon the trusting soul. I am Jesus, born of the Flesh. **I desire you make it known that the opposite of trust is doubt and fear. These are Satan's tactics,** which bear the fruit of confusion and lack of faith. But I come to you to bear you up in trust. As surely as you exist, My cloak is around you. Without Me you can accomplish no good end. Therefore, I bid you, abide in Me." (Jesus)

"But the soul that dwells deep within Me is at peace and sees the Father's Will in all things. Such a one cannot be buffeted about by Satan's deceptions and tactics. At the same time, he does not hold himself above those less advanced in love than he is. He lovingly prays for their enlightenment. **False accusations and insults do not affect him. These too he surrenders to Me.** My gentle caress rests upon these souls. They are My own." (Jesus)

St. John Vianney comes. He says, "Praise be to Jesus. I have come to invite you to see that **Satan's tactics are the same within the heart of the Church as they are in the secular world today. It is called compromise. When a heart is compromised, it places more value on pleasing self and impressing others than upholding truth and pleasing God** Such a conscience is not easily corrected."

"Yes, the world and the Church suffer today because of compromise. This is how Satan enters governments and marriages as well You must uncover this in courage and make it known." (St. John Vianney)

"I am your Jesus, born Incarnate. My brothers and sisters, do not languish longer in disbelief, for this is the compromise Satan presents to you to keep you from living the message of Holy and Divine Love. Nor should you

allow your hearts to give in to the temptation of discouragement and fear. Trust in Me—trust in My Mercy. Await with joyful hope the coming victory of Our United Hearts.” (Jesus)

“This is why the message and the mission here of Holy and Divine Love far exceed any in attempting to form hearts in love. This is why **the messages lay bare Satan—his snares and his tactics**. Do not be surprised at the inroads Satan has made where he is exposed, or the types of sins which are now coming to light. This could not remain under the cover of darkness longer. While it is bringing down those in high places, even within the Church, it is necessary in order that the festering sore be healed. **Many consciences now will be stripped of their compromise**. Just as the mission here is the salvation of souls, it must be so in My Church, as well. Reputation and money cannot be first. All must be surrendered to Me. “

“Those who defend and assist this mission, I will defend and assist. Those who make themselves your adversaries are My adversaries, as well.” (Jesus)

I have come to help you recognize Satan's tactics so that you will not be under his influence. **Satan is in confusion, anger and fear. He is the carrier of lack of peace**. He tries to discourage any positive effort by telling you there is no way out of certain situations, that prayer and sacrifice are useless because the petitions in your heart are too awesome for any prayer to be effective."

"If none of this works and you persevere in prayer, he moves to a higher level. He tells you that which you are praying for is probably not the Divine Will of God; therefore, better to give it up, for if you got what you prayed for it would be disastrous anyway. **If you still do not give up, he brings in one distraction after another as you pray, hoping to keep you from prayer altogether.**"

"He is untiring in his efforts. **He puts people in your life that upset you. Some are his cohorts-others unwittingly his puppets. Each soul must be aware of these insidious tactics of the enemy in order not to succumb to them.**" (Jesus)

"So that you will recognize these evils which are now formulating in hearts, I will reveal to you now the foretaste of their coming. **Satan is attempting to take over the airways and every form of modern communications.**

His power will be felt in consumerism, shallow economies, and false teachings. Once again, he will masquerade as good. He has many subversive schemes to weaken faith and counter My plans on earth. He seeks the demise of every soul and the destruction of your peace."

"Recall these, my words to you as this liturgical year unfolds. **Rely on My grace and pray much.** I seek your assistance in destroying My adversary -- the red dragon. **If you pray, you will not be fooled by his disguises.** (Blessed Mother)

"My angel, it will come to pass and God will permit it, that **the public financial system will come under complete control of Satan.** People will be fooled by the convenience of computerized consumerism and **they will come under the scrutiny of Satan by cooperating in his plans**" "My revealing this to you opposes Satan's plan. Please make it known." (Blessed Mother)

"In this election (2000) the face of Satan was revealed. He did not want peace, but **controversy.** He did not want unity, but **division.** He did not want life, but **death.** Only the unwise could miss seeing this. But in his efforts to conquer, he united the righteous and he himself will suffer defeat." **"Trust in the power of prayer,** for in it lies the victory of Our United Hearts." (Blessed Mother)

"Trust in Me for I lead you upon a certain and ordained path. **Keep Me in the center of your heart. When you abandon yourself to Me, I am able to reveal to you the enemy and to help you roust him from your midst"**

"During these times of uncertainty, it is your lack of trust that leads to fear. But as you fear the enemy, see that I am in this call to holiness through Holy Love. Take your safe refuge in My Words which lead you into the Chambers of Our United Hearts."

"Surrender to Me and do not fear the enemy no matter his disguise, for My weapon of Holy Love is stronger than any enemy. **Holy Love** does not take life, but **breathes life into the world."**

"Satan is using abortion to bring destruction upon your nation. You must continue to pray against this evil. I reveal this truth to the world, for **prayer is your hope and the way out of Satan's trap."** "Make it known." (Jesus)

“I reveal to you yet another truth. The soul that invokes My Mother under Her title *Mary Refuge of Holy Love* is taken into Her Heart where truth is revealed and **Satan cannot penetrate**. For My Mother’s Heart is God’s Will and God’s Will is all truth.” (Jesus)

“Satan's power is dwindling and **in anger his attacks are most ferocious**. But I am with you in Holy Love. My Heart is continually your Refuge and fortress. **Depend on me and not on your own capabilities.**”

"Dear children, **do not fear any portion of the future, for I am with you. In your weakness, I am your strength.** I am blessing you." (Blessed Mother)

"**Do not despise rejection.** It is a sign to you I am real. It is a sign **My message to you is challenging Satan’s power in the world**" (Blessed Mother)

"**Satan will come to power and gain strength by this means**" (Modern technology? **Saw flames on a computer screen.**) (Blessed Mother)

My brothers and sisters, do not be discouraged in any present moment, but offer each moment to Me. **When you give Me every moment, you are rendering Satan powerless over you, and over the events that he tries to create around you and in your lives. Be brave, My children.** Give to Me the great and the small sacrifices. I will give to you the Victory of the United Hearts." (Jesus)

May 5, 1999
Feast of Mary, Refuge of Holy Love
Message to All Nations – All Peoples

****Maureen was told reading Revelations Chapter 13 gives understanding to this message.**

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be Jesus. She bows in recognition towards the priests who were present. "My dear children, once again I have come to mend the way between Heaven and earth."

"Know with certainty, My children, that My coming to you at this time marks the onset of the last struggle between Satan and the Woman clothed with the sun. This is a battle the adversary knows he will not win, as it is written in the end My Immaculate Heart will triumph."

"As the victory draws near, you will witness diametrically opposed signs. There will be a scattering of the flock in the confusion of hearts, but a drawing together of the remnant faithful who remain consecrated to Me. You will see heroic sanctity and unrivaled evil. Many of My chosen ones will be relieved of certain burdens and protected from devastation. Those devoted to the world will find their fortunes turn to dust."

"Those who have not surrendered to trust during these times will find their hearts mastered by the spirit of fear. It will be increasingly necessary to recognize Satan in his disguise. Whatever opposes the law of Holy Love, My children, is evil. Realize this. The battle between good and evil is really the battle between Holy Love and evil. Choose Holy Love in every present moment."

"There will be signs of wonder and amazement that nature cannot explain away. Certain portents will be seen in the sky. Those who do not understand these times will not recognize them for what they are. **This is why the Eternal Father has allowed Me to come to you, to place you under My mantle and into My Heart. I am here as your Mother to help you to realize the urgency of mankind's return to holiness.**"

"Your prayers, My dear, dear children, are opening the gateway to My victory, both in hearts and in the world. **Satan knows how much I am depending on you and makes every effort to interfere when you want to pray. It is then you must be strong and understand I am with you. Make your lives simple. Let your hearts center on your relationship with God. Then all you need will be given. Your faith must be your anchor as you ride out the seas of these tumultuous times. My Immaculate Heart is your life boat.**"

"**You must realize, My little ones, that the heart of evil is sensuality, wealth and power. Therefore you must not love these things, but replace them in your heart with love of God and love of neighbor. Satan gains control through money and power, and I am calling you to lead simple lives and avoid these pitfalls.**"

"Once again, My dear children, I will visit Purgatory to deliver into Heaven all the relatives of those here present today. Receive My Motherly Blessing and the Blessing of our United Hearts."

Monthly Message to The Remnant Faithful
(This message was given in multiple parts.)

Jesus and Blessed Mother are here in white with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I come to you during these times and for all eternity as Divine Love. I desire that you understand that as I have opened My Heart to you, I await My Triumph of Love when all hearts will open to Me."

"My Mother's pleas and appeals—here and in other parts of the world—seem to fall on deaf ears. **All that She forewarned concerning Satan's presence within the Church has now been undeniably revealed** Events in the world at large which My Mother predicted have also occurred. Some are yet to come if the wrath of My Father is not turned away through your prayers and sacrifices."

“Today I am inviting this generation to recognize the precarious position that the world is in. Every nation, every government—indeed every soul—is only as secure as he is before God. No one can be secure before God outside of My Father’s Will which is Holy Love. Understand, then, that Holy Love is the solution of every problem, the footpath to righteousness and the reconciliation between creature and Creator.”

“All of the fears, all of the insecurities you face in the world today, do not exist when you abandon yourself to Me through the gateway of Holy Love. **I invite you to live in the Light of Truth where there is no compromise. I have come to you in truth to reveal to you not what you want to hear, but what you need to hear. So long as you have legalized abortion in the world, you will have war and many reasons for insecurity amongst nations.**”

“**Countries will never be at peace until they choose God first and neighbor second. When you begin to live in Holy Love, you will begin to see into Satan’s compromises which lead to every kind of sin, including abortion.** But if you allow your hearts to compromise Holy Love, your lives will be compromised, as well, and you will embrace untruths.”

“**Satan’s lies have led you to believe that abortion is freedom when it IS really slavery to sin.** Humanity must first free himself of captivity to sin in order to bring peace into the world.”

“**It is you, My Remnant Faithful, that must pull together in order that the pathway to Our United Hearts may be made known.** Make amends to Our United Hearts for those who are apathetic and unremorseful. Make sacrifices, do penance and pray for the unrepentant.”

“It is you, My Faithful Remnant, that hold back the Arm of Justice in this hour of darkness which has fallen upon the world and the Church itself. You are the ones, if you choose it, who can suspend natural laws and change the course of human history.”

“My brothers and sisters, when you return to your points of origin, I desire that you imitate the Immaculate Heart of My Most Holy Mother which is Holy Love.

It is through you I will strengthen and increase the Faithful Remnant. You must be the little lights in the world that lead to the pure Light of Divine Love.”

“We bless you now with Our Blessing of the United Hearts.”

June 5, 2003

Monthly Message to The Remnant Faithful

(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. They greet the priests in the apparition room by nodding and motioning to Their Hearts. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. I have come to help all nations towards victory. The victory I speak of is the victory of righteousness in hearts. Each heart that turns towards Me is a victory, and becomes part of My Crown of Victory which will reign over Our United Hearts when I return. This Crown of Victory is comprised of the army of victim souls that My Mother continues to call together. Within this Crown of Victory are all who live in Holy Love.”

“Today, so much of the human race embraces defeat. Defeat is all that opposes Holy Love. **Defeat is wrapped in self-absorption with little regard to consequence to neighbor. Every cataclysmic event, whether it be nature itself or man-made, such as abortion, crimes against innocents, terrorism or the like, are the result of mankind’s turning away from love of God and neighbor.**”

“**Realize the power of My Name - indeed, the power of calling on your Jesus in times of temptation and trial. When you say My Name, all of Heaven comes to attention. The power of My Precious Blood covers you and evil is made to vanish. When you say even more - ‘Sacred Heart of Jesus, have mercy on us’ - evil will be revealed, for Satan cannot remain hidden when I am thus invoked. When you pray - ‘United Hearts of Jesus and Mary, guide and protect us’ - Satan not only flees but the path you must follow in righteousness is laid bare.**”

“I endeavor to point out that these little ejaculatory prayers are just that - prayers. These are not magic words, but prayers which when prayed from the heart bring results according to the Father’s Holy and Divine Will. A prayer from the heart rises from a heart steeped in Holy Love.”

“You wonder why I am speaking about small little prayers from the heart on a day when I should be addressing all people and every nation. **If people learn how to pray - how to invoke Heavenly aid in time of need - they will begin to depend on prayer as a way out of every crisis, not only on a personal scale but also events on a world scale.**”

“What I am saying to you today is let Me be Lord of each present moment. When world events and natural events are surrendered to Me, I carry out the Father’s Divine Will. It is important that each soul surrenders. When souls hold back and do not trust Me, My efforts are weakened both in their lives and in the world.”

“You do not see what lies ahead. My Mother sheds many tears for what She sees and knows. I remain still your Merciful Jesus. Turn to Me in trustful surrender.”

“Certain events will occur universally that will be compelling towards surrender to Divine Providence. Hearts which do not know how to surrender - hearts which do not trust in Me - will fall into despair. Manifest will My grace be in the hearts and lives of those who trust. You cannot compare the small tests you have had in trustful surrender with what lies ahead if more hearts do not hasten to their conversion.”

“**My brothers and sisters, here in this MISSION, I offer you and open to you the innermost Chambers of My Sacred Heart. Every grace that you need to enter and proceed into these Chambers is offered through the Heart of My Mother. But I will never impede man’s free will.**”

“Choose according to Holy Love and I will bless your journey even now, as We bless you with the Blessing of Our United Hearts.”

August 13, 2006
Public

“I am your Jesus, born Incarnate.”

“Today I have come to help each one realize the profound influence that every abortion has upon the world. When the gift of life is violated in the womb, the world moves closer to the edge of the abyss, and the abyss itself between Heaven and earth widens. All of the gifts—spiritual, mental and physical that were bestowed upon that innocent life at conception—are killed when the life is taken. All the positive effects that the new life would have had in the world are taken away with the life itself. In their place, evil is made more powerful.”

“Do not wonder then, at the intensity of wars, famine and disease in the world today. Perverse and convoluted hearts have been allowed to come to power because of abortion.”

“You have been given the weapon to oppose this terrible sin, which is a blight upon the heart of humanity, in the Rosary of the Unborn. Do not put it down. Use it as a nuclear weapon against the Satanic power of legalized abortion. Do not let Satan discourage you in this. Be valiant in this battle.”

“Today I am imparting to the world, through you, a prayer to be recited with the Rosary of the Unborn.”

“Divine Infant Jesus, as we pray this rosary, we ask you to remove from the heart of the world the desire to commit the sin of abortion.

Remove the veil of deceit Satan has placed over hearts which portrays promiscuity as a freedom, and reveal it for what it is—slavery to sin.”

“Place over the heart of the world a renewed respect for life at the moment of conception. Amen.”
